

Your privacy is very important to us and we want to make your experience on the Internet as enjoyable and rewarding as possible. This Privacy Policy describes how GA Systems Inc. collects information from users of GA Systems Inc. Managed IT services (the "Services") and visitors to [GA.Systems](#), how we use the information we collect and the choices you have concerning the collection and use of such information. Please read this Privacy Policy carefully. The effective date of this Privacy Policy is July 20, 2015.

GA Systems Inc. may also automatically collect and analyze information regarding the use of GA Systems Inc.'s services and web site activity. Information collected may include but is not limited to web site traffic volume, frequency of visits, type and time of transactions, type of browser and operating system. For example, we may automatically record your IP address so we can establish a broad understanding of site traffic patterns. This information can be logged to help diagnose technical problems, administer the site, and improve the quality and types of service delivered. GA Systems Inc. may also collect, track and analyze information that does not personally identify a user in aggregate form. This aggregate data will be used at GA Systems Inc.'s discretion and may be shared with third parties, but with no personally identifiable information attached.

GA Systems Inc. may employ companies and people to perform tasks on its behalf, and will need to share personal information with these third parties to do so. These third parties do not receive any right to use personal information beyond what is necessary to perform these tasks. GA Systems Inc. may release or exchange personal information if required to do so to comply with applicable law or to enforce its rights or agreements or prevent fraud or reduce credit risk. For more information, see our Special Cases section below.

### [Special Cases](#)

GA Systems Inc. will not use or share personal information in ways unrelated to the ones described above without providing an opportunity to opt-out or otherwise prohibit such unrelated uses. However, GA Systems Inc. may disclose personal information or information regarding the use of the Services if, for any reason and in our sole discretion, we believe that it is reasonable to do so, including to satisfy laws, regulations or other legal requests for such information; to disclose information that is necessary to identify, contact or bring legal action against someone who may be violating our policies; to operate the Services properly; or to protect GA Systems Inc., our Services, our clients, our employees or our users.
